45 Order No. J ~~4391/29~~ 381 dated 14-8-14
Pol 14-14-1

Section 56 (b) of the Police Regulation lays down the rule of the road to be observed by drivers of vehicles in the following terms:-

> "No person should, without reasonable cause, drive, drag or push any vehicle otherwise than on the near or left side of the road, or pass any vehicle except on the right side of it."

This provision is in force only in the District and Taluk head quarters and in the Kolar Gold Fields.

2. With a view to minimize obstruction to rapid traffic on all public roads frequented by motor vehicles and to promote the convenience of road traffic generally, ~~Government consider~~ it desirable that ~~the rule should be observed~~ on all public thoroughfares throughout the State. ~~not both vehicles, particularly cycles,~~ should drive on the left side of the road. (invariably)

?

It may cause considerable hardship if this provision is enforced as obligatory in all rural places.

3. Government therefore desire the co-operation of all Government officers and the public in securing the observance of this rule till it becomes a recognized habit with all drivers of vehicles on public roads.

4. The Revenue officers will have the rule announced by beat of tom tom in towns and villages in the State; the Inspector General of Education will have the
